

“Enlightenment on the Power of Outreach”

March 2015

Volume I, Issue II

*From the Desk of the Director*

Youth of Chattanooga and surrounding areas: “A Soviet cosmonaut claimed that on his trip into space he could not see God; therefore, God must not exist.” (According to that logic, if you don’t see something then it must not exist. But doesn’t the wind exist? Scripture states, that God is a Spirit, and a spirit can’t be seen. Many things in life really exist even though we don’t see them.) ~Hebrews 11:3

*Inspirational Quote*

*Did You Know?*
